More Halloween coloring pages (including some scary mandalas):

Organize teens to do a Poe-etry reading. Pick a few poems by Edgar Allan Poe [see http://www.poetryloverspage.com/poets/poe/poe_ind.html] to read aloud (the more dramatic, the better!).

Organize a "reverse trick-or-treat" event to collect food for a local food pantry or hats and mittens for a charity that distributes them to those in need.

You will find a preschool storytime program "kit" for Halloween on the Iowa Library Services website at <http://www.statelibraryofiowa.org/ld/t-z/youthservices/early-child-lit/earlyliteracyinlibraries/earlyliteracy>. This "kit" includes rhymes, flannel board artwork, take-home sheets and coloring pages.

Iowa Libraries Dreaming Big:

• Marion Public Library had a very successful Star Wars Party in June. As kids arrived they went through "Jedi Trials" to become a Jedi Knight. To succeed, they had to use a lightsaber (pool noodle) to keep a balloon afloat; jump across "lava;" use chopsticks to pick up small objects; complete a Star Wars word-search; and make a craft. As a reward, they were served yummy snacks like Wookie Cookies, Chewy Bars, and Jedi Juice. Finally, they had a chance to destroy the Death Star (a homemade piñata).

Badges for Learning will increase YALSA's capacity to deliver professional development and extend its reach so that more librarians and library workers have not only the skills and knowledge they need but gain recognition for the new competencies, capacities and skills they are developing in a nontraditional setting.

To learn more about YALSA's Badges for Lifelong Learning, you can listen to a short (5 minutes) interview conducted by Linda Braun (former YALSA president and coordinator of the project) with Jack Martin, current YALSA president, at:
